2 In G.O. No. R. 9154-96-Agri 24-13-R 29.5.14 the permanent advance held by the Director on account of the Depôt has been raised from Rs 5000/- to Rs 15000/-.

3 In the budget of the D & C Dept a sum of Rs 10000/- has been provided for the purchase of machinery & not for the sale of machines as observed by the Dir in his present letter.

4 The Director's statement that a sum of Rs 10000/- may be ~~set~~ set-apart for the sale of machines is not clear.

5. May he be asked to report what he means by stating that a sum of Rs 10000/- may be set apart for the purpose or whether he means that his permanent advance may be raised by Rs 10000/- ?

6 What Dr Coleman means is that the amount of Rs 15,000 which is given to him as a permanent advance is insufficient to enable him to keep the stock required for the supply of implements on the hire purchase system when only a part of the price is paid. The permanent advance may be fixed at Rs 10,000 or if necessary a lower amount and a sum of Rs 10000 provided to meet the cost of implements taken on the hire-purchase system. Since these rules were sanctioned the sales of such implements have gone up by more than 5% per cent. 20/3/V II

to Rs 15 000/- or a sum of Rs 10000/- placed at his disposal annually for the purchase of implements. In G. O. No. R 9184-96/Agri 34-13-4 d: 29-5-14, the increase to Rs 15000/- was sanctioned. It is thus evident that the increase to 15000 Rs was sanctioned to meet the demand which will be necessitated by the introduction of the Hire purchase system. It is only 5 months since this system was introduced. and the Director anticipates that the 15000/- Rs will not be sufficient to meet the demand and wants Rs 10000 to be set apart. This setting apart of 10000 Rs was only an alternative proposal which he had made and he has now not explained how this is more suitable than the one already sanctioned. To enable decision on the proposal it seems desirable to know also the cost of implements purchased up to date

I do not understand what facts and figures the Financial Branch wants & how they are pertinent to the question at issue. The accounts of instruments sold on the hire-purchase system should be kept distinct from those sold outright. After all the money is given as an advance & it is the Director who is responsible to account for it. The proposals contained in my note of the 13th Sept may be offd.

# Submitted to His Highness.

The Director of Agriculture is given a permanent advance of Rs.15,000/- to purchase agricultural implements for sale to the ryots. Since the hire purchase system was introduced, the sales have increased by 50 per cent, and the Director finds the amount now provided inadequate and requests that an additional sum of Rs.10,000/- may be placed at his disposal for the purchase and sale of implements. As it is in the nature of an advance which will be recouped, the Council are in favour of the proposal and it may be - - sanctioned.

Sir,

With reference to the Govt. Order No.5165-6/A & I 73-14-3 dated 20th May 1915, sanctioning rules for sale of Implements on Hire Purchase System, I have the honour to state that to bring these into operation, I anticipate that the funds placed at my disposal viz. Rs.15,000/-, will not be sufficient to meet the demands and request therefore that you will kindly obtain sanction of Government to set apart Rs.10,000/- as is done for the sale of machines in the Industries and Commerce Department and to issue instructions to the Comptroller for the same.

To

Offg. Secretary to the Government
of His Highness the Maharaja of
Mysore, Deptts. of Agri., &c., Bangalore.

SIR,

In continuation of this office letter No.69/S of 6th September 1915, I have the honour to state that the outstanding balance to be recovered with the value of the stock of implements on hand comes up to over Rs.20,000/-. This figure is approximate but it indicates that the Permanent Advance of Rs.15,000/- sanctioned in Government Order No.9184-96/Agri.34-13-4 dated 29th May 1914 is inadequate for the operations of the Implement Depot; also that the Department holds a considerable stock obtained on credit. Owing to prevailing conditions, the suppliers are not so patient as they used to be in waiting for payment.

2. It is also proposed to bring the Hire-Purchase System into force before the end of this month, when the demand for implements is almost sure to be increased very considerably.

3. I therefore, request that you will be so good as to obtain

very early favourable orders of Government in the matter of raising the permanent advance to Rs.25,000/-

I have the honour to be,

Sir,

Your most obedient servant,

Offg. Director of Agriculture.
